~~CONFIDENTIAL~~

MEMORANDUM FOR THE SENIOR INTERAGENCY GROUP/REFUGEES

FROM : H. Eugene Douglas

SUBJECT: Agenda Item: September 1, 1983, Meeting
Proposed FY 84 Refugee Admissions to the
United States

The Refugee Act of 1980 requires that the President consult annually with the Congress before the start of the new Fiscal Year concerning the projected refugee admissions to the United States.

Subject to Interagency approval, I propose to recommend to the President for transmittal to the Congress the following regional refugee admission level for FY 84. It should be noted that these are ceiling numbers not to be exceeded. They are not targets.

	FY 84
Eastern Europe and the Soviet Union	12,000
Africa	3,000
Near East and South Asia	6,000
Southeast and East Asia	50,000
Latin America	1,000
FY 84 TOTAL	72,000

The draft FY 84 Refugee Consultation documents, which support the regional admissions levels, are attached for final Interagency review.

Attachment:

As stated.
